**TO:** HONORABLE MAYOR AND  
CITY COUNCIL

**FROM:** Alex Gurza

**SUBJECT:** SEE BELOW

**DATE:** June 3, 2011

Date

**SUBJECT: APPROVAL OF THE TERMS OF AN AGREEMENT WITH THE SAN JOSE POLICE OFFICERS' ASSOCIATION (SJPOA)**

## RECOMMENDATION

Adoption of a resolution to approve the terms of a collective bargaining agreement between the City and the San Jose Police Officers' Association (SJPOA) for the term of July 1, 2011 to June 30, 2012 or June 30, 2013, and authorizing the City Manager to execute an agreement, pending ratification by the SJPOA membership.

## OUTCOME

Adoption of the resolution and authorization to execute an agreement would result in a collective bargaining unit agreement between the City of San Jose and the San Jose Police Officers' Association (SJPOA) for the term of July 1, 2011 to June 30, 2012 or June 30, 2013, pending ratification by the SJPOA membership.

## BACKGROUND

In November 2010, the City Council in open session approved a goal of reducing the total ongoing employee compensation for all City employees by ten percent (10%). "Total compensation" is the total cost to the City of pay and benefits, including base pay, retirement contributions, health insurance, and other benefits. Total compensation is calculated using budgeted salary and fringe benefit costs for the bargaining unit.

In addition to the 10% ongoing total compensation reduction approved in November 2010, the City Council approved direction to achieve the following reforms: retirement reform, including 2<sup>nd</sup> tier pension and retiree healthcare benefits for new hires; options for current employees; SRBR or "13<sup>th</sup> Check;" sick leave payout; disability leave supplement; and compensation structure.

The San Jose Police Officers' Association represents approximately 1,074 full time budgeted positions in the 2011-2012 Proposed Operating Budget. This bargaining unit includes employees in

the classifications of Police Officer, Police Sergeant, Police Lieutenant, Police Captain and Deputy Chief of Police.

The City commenced negotiations for a successor Memorandum of Agreement (MOA) with the SJPOA in January 2011. The City and the SJPOA reached a Tentative Agreement on June 3, 2011, that achieves a 10% total compensation reduction and includes agreements to continue negotiations on other reforms, including retirement and sick leave payout. The Tentative Agreement is pending ratification by the SJPOA membership. The SJPOA will notify the City of the ratification results prior to the June 14, 2011, City Council meeting.

### **ANALYSIS**

A complete copy of the Tentative Agreement is attached. The following is a summary of the key provisions:

**Term and Wages** Effective June 26, 2011, all salary ranges for employees represented by SJPOA shall be decreased by approximately 10%. All employees represented by SJPOA shall receive a 10% base pay reduction.

The parties agree that the 10% reduction will begin June 26, 2011. The City contends that the 10% base pay reduction should be ongoing, while the SJPOA contends that it should cease effective June 23, 2012. Because there is no agreement on this issue, the issue of whether or not the 10% reduction should be ongoing or one-time will be submitted to binding interest arbitration under Charter Section 1111.

The parties agree that in accordance with Charter Section 1111, the last offer of settlement for the SJPOA will be that the 10% reduction be one-time, expiring on June 23, 2012 and the City's last offer of settlement will be that the 10% is on-going and continues until modified in future negotiations or arbitration.

The parties agree that if the arbitration panel awards the 10% as one-time, the term of this agreement will be one year and shall expire on June 30, 2012. If the arbitration panel awards the 10% ongoing, the term of this agreement will be two years and shall expire on June 30, 2013.

The parties agree to proceed to arbitration immediately so that an arbitration award can be issued no later than the end of calendar year 2011. The parties also agree that if for any reason a decision from the arbitration panel is not received by June 23, 2012, the 10% reduction shall continue until a final award is issued. The term of the MOA and the 10% will then be pursuant to the terms of the arbitration award.

**Healthcare Dual Coverage** An employee may not be simultaneously covered by City-provided medical benefits as a City employee, and as a dependent of another City employee or retiree.

**Modified Duty Assignment** Effective October 1, 2011, the number of exempt officer positions shall be reduced to 10.

The City agrees to indemnify the association as to any liability arising solely from the implementation of the change in the number of exempt officer positions stated above.

**Civilianization/ Contracting Out** The City will have the discretion to contract out and/or civilianize twenty positions during the term of this Agreement. Any further contracting out and/or further civilianization of positions represented by the SJPOA during the term of this Agreement would be subject to the meet and confer process.

**Airport Police Services Outsourcing** At the City's option, Airport Police Services and this service may be contracted out.

**Subsidy for Public Transit** After calendar year 2011, the City will no longer provide employees with an ECO-Pass. Upon exhaustion of the current supply of Commuter Check Vouchers, vouchers will no longer be available for purchase from the City.

**Layoff Reinstatement List** The layoff reinstatement eligible lists will be valid for three years.

**Agency Fee Provision** Upon notice from the SJPOA, the City agrees to implement an agency fee provision as soon as practical.

**Side Letters**

- Retirement Reform – The City and SJPOA agree to continue meeting and conferring on pension and retiree healthcare benefits for current and future employees. The negotiations may include modification of healthcare (medical and dental) plans available to current employees, including but not limited to plan design.

As part of the negotiations related to retirement reform, the parties will meet and confer regarding an opt in program in which current employees could voluntarily choose to opt out of the current level of pension benefits into a lower level of benefits.

In the event that the City and the SJPOA do not reach an agreement on the specific design of an opt in program by November 1, 2011, at the SJPOA's option the City will implement the opt in program that was proposed by the SJPOA during contract negotiations (2.5% for the first

20 years and 3% after 20 years with an 80% maximum, 2% fixed COLA and 3 year final average salary) effective December 25, 2011, under the following conditions:

1. 40% of the employees represented by the SJPOA sign an irrevocable waiver to elect to go into the opt in program described above. Employees would be required to sign a document indicating that they understand that if the program is implemented, this is an irrevocable election and that they will not be able to opt back into the former tier of benefits.

**AND**

2. Any implementation of an opt-in program is contingent upon receiving an IRS qualification letter.

Even if 40% of the employees represented by the SJPOA sign an irrevocable waiver to opt in and IRS approval has been received, the SJPOA will have the option not to proceed with implementation of the opt in program. If less than 40% of the employees represented by the SJPOA sign an irrevocable waiver to opt in and IRS approval has been received, the opt in program may still be implemented by mutual agreement of both the City and the SJPOA.

The parties agree that the dates contained herein regarding the opt in program can be modified by mutual agreement of the parties.

The SJPOA expressly acknowledges that this opt in program is not the solution to the costs of the City's retirement benefits and the unfunded liabilities for both pensions and retiree healthcare. The City has informed the SJPOA that even if the opt in program is implemented, further changes will be required to significantly reduce the costs of pension and retiree healthcare benefits and the unfunded liabilities, which may include a substantially lower cost tier for new employees and reduced benefits and/or increased employee contributions for current employees, including those who may elect the opt in program. Neither party waives any legal rights including the Union's nor any member's right to assert that certain benefits are vested.

- Sick Leave Payout – The City and SJPOA agree to continue meeting and conferring on sick leave payout for current and future employees.
- Layoff – Either the City or SJPOA may provide notice to the other of its request to meet and confer on modifications, if any, to the City's layoff process and procedures.

- Supplemental Retiree Benefit Reserve (SRBR) – The City and SJPOA agree to discuss the SRBR program in the Police and Fire Department Retirement Plan.

### **EVALUATION AND FOLLOW-UP**

None.

### **PUBLIC OUTREACH/INTEREST**

- Criteria 1:** Requires Council action on the use of public funds equal to \$1 million or greater. **(Required: Website Posting)**
- Criteria 2:** Adoption of a new or revised policy that may have implications for public health, safety, quality of life, or financial/economic vitality of the City. **(Required: E-mail and Website Posting)**
- Criteria 3:** Consideration of proposed changes to service delivery, programs, staffing that may have impacts to community services and have been identified by staff, Council or a Community group that requires special outreach. **(Required: E-mail, Website Posting, Community Meetings, Notice in appropriate newspapers)**

This item meets Criterion 1. This memorandum will be posted on the City's website for the June 14, 2011, City Council Agenda.

### **COORDINATION**

This memorandum was coordinated with the City Manager's Budget Office and the City Attorney's Office.

### **COST IMPLICATIONS**

For Fiscal Year 2010-2011, the City and the SJPOA reached an agreement that achieved a 3.82% reduction in total compensation, of which only 0.67% was ongoing. The 0.67% ongoing reduction was due to healthcare plan design changes that were part of that agreement (85/15 cost sharing, \$25 co-pay plan and reduction in health in lieu). Per City Council authorization, to reach a 10% total compensation reduction, a 9.33% reduction in total compensation is needed to be achieved for 2011-2012. As part of this tentative agreement, the SJPOA agreed to a 10% base pay reduction that in addition to the 0.67% ongoing total compensation reduction agreed to for 2010-2011 achieves the 10% total compensation reduction.

As directed in the Mayor's March 2011 Budget Message as approved by the City Council, the budgetary savings associated with this action are assumed in the 2011-2012 Proposed Operating Budget which was released on May 2, 2011 as well as the 2011-2012 Proposed Fees and Charges document released on May 7, 2011. The terms of the Tentative Agreement, which includes the 10% base pay reduction, generate additional savings of approximately \$20.7 million in the General Fund based on the positions included in the 2011-2012 Proposed Operating Budget. When factoring the impact of annual retirement and unemployment contributions the actual net savings to the General Fund totals \$12.975 million. These savings also do not include the currently unknown cost increases for healthcare for the second half of 2011-2012.

**TERM AND WAGES**

**ARTICLE 5 WAGES AND PREMIUM PAY**

5.1 Effective June 26, 2011, all salary ranges for employees represented by the POA shall be decreased by approximately 10%. This will result in the top and bottom of the range of all classifications represented by the POA being 10% lower. All employees will receive a 10% base pay reduction.

*The parties agree that the 10% reduction will begin June 26, 2011. The City contends that the 10% base pay reduction should be ongoing, while the POA contends that it should cease effective June 23, 2012. Because there is no agreement on this issue, the issue of whether or not the 10% reduction should be ongoing or one-time will be submitted to binding interest arbitration under Charter Section 1111.*

*The parties agree that in accordance with Charter Section 1111, the last offer of settlement for the POA will be that the 10% reduction be one-time, expiring on June 23, 2012 and the City's last offer of settlement will be that the 10% is on-going and continues until modified in future negotiations or arbitration.*

*The parties agree that if the arbitration panel awards the 10% as one-time, the term of this agreement will be one year and shall expire on June 30, 2012. If the arbitration panel awards the 10% ongoing, the term of this agreement will be two years and shall expire on June 30, 2013.*

*The parties agree to proceed to arbitration immediately so that an arbitration award can be issued no later than the end of calendar year 2011. The parties also agree that if for any reason a decision from the arbitration panel is not received by June 23, 2012, the 10% reduction shall continue until a final award is issued. The term of the MOA and the 10% will then be pursuant to the terms of the arbitration award.*

~~5.1 ONE-TIME ADDITIONAL RETIREMENT CONTRIBUTIONS~~

~~Effective June 27, 2010 through June 25, 2011, all employees represented by the POA will make an additional retirement contribution in the amount of 5.25% of pensionable compensation, and the amounts so contributed will be applied to reduce the contributions that the City would otherwise be required to make for the pension unfunded liability, which is defined as all costs in both the regular retirement fund and the cost-of-living fund, except current service normal costs in those funds. This additional employee retirement contribution would be in addition to the employee retirement contribution rates that have been approved by the Police & Fire Department Retirement Board. The intent of this additional retirement contribution by~~

**2011 CITY OF SAN JOSE – POA NEGOTIATIONS  
TENTATIVE AGREEMENT**

employees is to reduce the City's required pension retirement contribution rate by a commensurate 5.25% of pensionable compensation, as illustrated below:

Police and Fire Department Retirement (Police) (Fiscal Year 2010-2011)			
	City	Employee	Total
Current Contribution Rates	44.58%	15.57%	60.15%
Contribution Rates with Additional Employee Contributions	39.33%	20.82%	60.15%

Note: Additional contributions made by employees do not affect the retiree healthcare rates.

**TREATMENT OF ADDITIONAL EMPLOYEE CONTRIBUTIONS**

These contributions shall be treated in the same manner as any other employee contributions. Accordingly, the intent of these additional payments will be made on a pre-tax basis through payroll deductions pursuant to IRS Code Section 414(h)(2) and will be subject to withdrawal, return and redeposit in the same manner as any other employee contributions.

**IMPLEMENTATION OF ADDITIONAL RETIREMENT CONTRIBUTIONS AND MISSED CONTRIBUTIONS**

It is the intent of the parties that the employees pay the entire annual amount of the additional retirement contributions for the 2010-2011 Fiscal Year. Since the additional employee contributions will not be implemented by June 27, 2010, when the additional employee contributions are implemented in the City's payroll system the Finance Department will compute the rate that will generate the total amount of additional retirement contributions over the remaining pay periods in the fiscal year as if the contribution rate had been implemented on June 27, 2010.

For example, if the additional contributions do not begin until August 22, 2010, (pay period #18) the additional employee contributions for each of the subsequent pay periods in the 2010-2011 Fiscal Year will be recalculated by the Finance Department so that 100% of the additional employee contributions are made by the end of the fiscal year.

The parties understand that in order to implement this provision, an amendment must be made to the Police & Fire Department Retirement Plan that requires an ordinance amending the San Jose Municipal Code. In addition, the parties understand that the City will request that the Police & Fire Department Retirement Board have its actuary confirm that an increase of the employee contribution will reduce the City's contribution rate by a commensurate amount.

**CONTINGENCY PROVISION**

In the event that the additional employee retirement contributions described above are not implemented for any reason by October 1, 2010, or the Police & Fire Department Retirement Board's actuary concludes that the City's contribution rate could not be reduced by a commensurate amount, the equivalent amount of total compensation shall be taken as a base

~~pay reduction and will increase on a pro-rata basis over the remaining pay periods in the fiscal year to achieve the equivalent total compensation reduction.~~

~~In the event that the additional employee retirement contributions described above are ceased for any reason thereafter, or the Police & Fire Department Retirement Board's actuary concludes that the City's contribution rate could not be reduced by the commensurate amount after beginning such deductions, the equivalent amount of total compensation shall be taken as a base pay reduction.~~

9.1 Employees shall receive a uniform allowance not to exceed \$675 annually. Payment shall be made during the first two pay periods of each month, in the amount of \$28.12 per biweekly pay period. If an eligible employee is on unpaid leave for a period of one (1) full pay period or more, the employee will not receive uniform allowance pay for that period. ~~Effective September 5, 2010 through June 25, 2011, employees shall be ineligible to receive uniform allowance payments.~~

**MODIFIED DUTY ASSIGNMENT**

**ARTICLE 39        MODIFIED DUTY ASSIGNMENT**

Modified duty assignments shall be governed by the Consent Decree dated June 21, 2005, for the term of this agreement, except as modified below.

Effective October 1, 2011, the number of exempt officer positions shall be reduced to 10.

The City agrees to indemnify the association as to any liability arising solely from the implementation of the change in the number of exempt officer positions stated above. The indemnification also extends to the act of Association in cooperating in the defense of this change in the number of exempt officer provisions before any forum. However, the City will not indemnify the Association for any liability caused by separate acts or omissions independent of the acts related to the reduction in the number of exempt officer positions. For example, the City would not indemnify the Association if the Association is found liable for misrepresentation or nondisclosure to its membership, or liable for any breach of duty of fair representation other than a breach predicated solely on the acts or omissions related to the change in the number of exempt officer positions.

The City will not pay attorneys' fees to or on behalf of the Association but at the sole option of the Association, the City Attorney's Office will defend the Association against claims or lawsuits arising from implementation of the change in the number of exempt officer positions so long as the Association waives any conflict of interest, actual or potential, arising out of the representation by the City Attorney's Office. However, legal counsel for the City shall keep the Association informed of all developments particularly as to any possible settlement of the dispute/litigation. The Association shall have the right to participate in the defense.

The City's obligation to indemnify, as described above, is conditioned upon the City having primary authority for the defense. The Association and the City Attorneys shall cooperate in the defense of the case. The Association may not agree to any settlement involving its financial liability without consent of the City.

The negotiations may include modification of healthcare (medical and dental) plans available to current employees, including but not limited to plan design.

Either the City or Union may provide notice to the other of its request to meet and confer. Upon such notice, the parties shall continue these negotiations within ten (10) calendar days after the City or Union receives notice from the other. The City and Union shall meet and confer in good faith in an effort to reach a mutual agreement. #### **Opt In Program**

As part of the negotiations related to retirement reform, the parties will meet and confer regarding an opt in program in which current employees could voluntarily choose to opt out of the current level of pension benefits into a lower level of benefits.

In the event that the City and the POA do not reach an agreement on the specific design of an opt in program by November 1, 2011, at the POA's option the City will implement the opt in program that was proposed by the POA during contract negotiations (2.5% for the first 20 years and 3% after 20 years with an 80% maximum, 2% fixed COLA and 3 year final average salary) effective December 25, 2011, under the following conditions:

1. 40% of the employees represented by the POA sign an irrevocable waiver to elect to go into the opt in program described above. Employees would be required to sign a document indicating that they understand that if the

program is implemented, this is an irrevocable election and that they will not be able to opt back into the former tier of benefits.

**AND**

2. Any implementation of an opt-in program is contingent upon receiving an IRS qualification letter.

Even if 40% of the employees represented by the POA sign an irrevocable waiver to opt in and IRS approval has been received, the POA will have the option not to proceed with implementation of the opt in program. If less than 40% of the employees represented by the POA sign an irrevocable waiver to opt in and IRS approval has been received, the opt in program may still be implemented by mutual agreement of both the City and the POA.

The parties agree that the dates contained herein regarding the opt in program can be modified by mutual agreement of the parties.

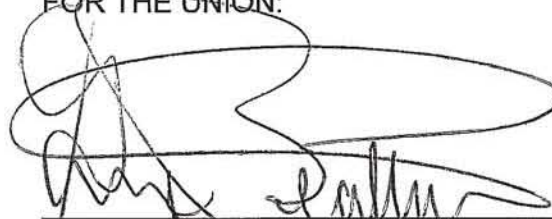

The POA expressly acknowledges that this opt in program is not the solution to the costs of the City's retirement benefits and the unfunded liabilities for both pensions and retiree healthcare. The City has informed the POA that even if the opt in program is implemented, further changes will be required to significantly reduce the costs of pension and retiree healthcare benefits and the unfunded liabilities, which may include a substantially lower cost tier for new employees and reduced benefits and/or increased employee contributions for current employees, including those who may elect the opt in program. Neither party waives any legal rights including the Union's nor any member's right to assert that certain benefits are vested.

This Agreement is tentative and shall become effective only as part of the overall agreement on, and only during the term of, a successor Memorandum of Agreement.
